

Box Tops & Labels for Education

Help the Tri-City Auxiliary support our area schools and community programs by collecting "Box Tops for Education" and "Labels for Education".

See / print the complete lists of participating products:

[Box Tops for Education](#)

[Labels for Education](#)

Then, start collecting! It's just that simple!

(And, don't forget to recycle the rest of the product packaging, by depositing it into your recycling bin !!!)

Drop off collected box tops with Auxiliary Officers at monthly membership meetings, during other events such as casino trips, or contact Jo or Sharon at 763-786-6865 to make other arrangements (or for additional information).

The Auxiliary -- and your local schools -- thank you for your participation !!!
